The diagram illustrates a network structure with nodes and edges. The nodes are labeled as follows:

- Top row: У (left), Э (center), Ю (right)
- Second row: У (left), Ш (center), 3 (right)
- Third row: 2 (left), 1 (right)
- Fourth row: Ш (left)
- Fifth row: Ш (left)
- Sixth row: У (center), У (right), Ш (far right)
- Bottom row: У (left), Ш (right)

The edges connect the nodes in the following manner:

- У (top) is connected to Э (top) and У (second row, left).
- Э (top) is connected to У (top), Ш (second row, center), and 2 (third row, left).
- Ю (top) is connected to 3 (second row, right) and У (sixth row, right).
- У (second row, left) is connected to У (top) and Ш (second row, center).
- Ш (second row, center) is connected to У (second row, left), Э (top), 2 (third row, left), and 1 (third row, right).
- 3 (second row, right) is connected to Ю (top) and У (sixth row, right).
- 2 (third row, left) is connected to Э (top) and Ш (second row, center).
- 1 (third row, right) is connected to Ш (second row, center) and У (sixth row, right).
- Ш (fourth row, left) is connected to Ш (second row, center) and Ш (fifth row, left).
- Ш (fifth row, left) is connected to Ш (fourth row, left) and У (sixth row, right).
- У (sixth row, right) is connected to 3 (second row, right), Ш (fifth row, left), У (sixth row, center), and Ш (bottom row, right).
- У (sixth row, center) is connected to У (sixth row, right) and Ш (bottom row, right).
- Ш (bottom row, right) is connected to У (sixth row, center) and У (sixth row, right).
- У (bottom row, left) is connected to Ш (bottom row, right) and Ш (second row, center).
